ABOUT OUR CLASSES

MARTIAL ARTS

TAE KWON DO CHUNG DO KWON (AGES 5+) – TKD Chung Do Kwon is an “empty hand” style, meaning students do not use weapons. They train standing up using punches, kicks, strikes and blocks. Instruction focuses on teaching traditional *kata* or forms, which is a series of movements fighting an invisible opponent; and sparring, which is the demonstration of techniques while fighting a real opponent. Sparring is done in protective gear once students reach yellow belt. Students will progress in belt rank and could have the opportunity to go to regional, national and international competition, as well as be a part of the United States Martial Arts Team through our Competition Team Program. Classes run year-round and students can start at any time or any age. Uniform purchase required. Additional apparel & gear purchases required as rank advances and/or with participation on the competition team.

BRAZILIAN JIU-JITSU (AGES 5+) – BJJ is a martial art focusing largely on grappling and ground fighting. It utilizes natural body leverage and proper technique to obtain dominant control on the ground and provides greater position for striking or submission holds. BJJ has been proven, when used properly, to be an effective method for dealing with bigger and stronger opponents. Classes run year-round and students can start at any time or any age. Students will progress in belt rank and could have the opportunity to compete nationally and internationally. Classes run year-round. Uniform purchase is required.

NEW!!!! NINJA TRIX (AGES 4+) – This class takes its influence from gymnastics, tumbling, martial arts, and parkour. Learn confidence, self-discipline, and motivation while perfecting balance, developing

strength & conditioning, and of course having fun! We use customized equipment catered directly to a one-of-a-kind curriculum that maintains the perfect balance between safety and fun, and with our carefully crafted curriculum and expertly trained staff. Students can progress in rank. Classes run year-round. Uniform purchase is required.
